Work Experience

Gallery Associate | Taft Museum of Art | Cincinnati, Ohio

July 2024 – Present

- Manage gallery space to ensure the safety of the guests as well as the artwork and communicate to guests whenever they acted against museum policy.
- Reach out promptly through personal radio to coworkers and the museum's security center to facilitate event deliveries.
- Train newly hired Gallery Associates on how to use the radio system, the policy of the museum, and the best ways to inform guests of breaches in policy.

Emergency Medical Technician, Psychiatric Specialized | Amerimed Emergency Medical Services | Cincinnati, Ohio

October 2022 – March 2024

- Provided life support during inter-facility transportation for psychiatric and trauma-related patients.
- Documented patient vitals and care administered during transportation while managing patient condition as well as communication with receiving facilities.
- Maintained all medical equipment while not with patients and stocked ambulance with replacements of any supplies used during patient services.
- Communicated directly to patients about treatment given and actions taken in their presence and prioritize their mental wellbeing as much as their physical wellbeing.

Emergency Medical Technician | Donald Marten & Sons Ambulance Services | West Chester, Ohio

April 2022 – October 2022

- Provided patient care during long-distance transportation between facilities.
- Thoroughly documented all patient vitals and interactions during transports spanning up to six hours long.
- Communicated with coworker operating the ambulance about the patient condition as well as with the patient about procedures taking place during the transport.
